Other species require a description to help BRERC check the identification.
If you use abbreviations or codes please make sure you let us know what they mean.

Useful codes and abbreviations: m or ♂ = male, f or ♀ = female, O = ovipositing female, C = copulating pair, L = Larva, Ex = Exuvia, Em = pre-flight emergent

Dragonfly Monitoring Form

Grid Reference	ST						

6-figure grid reference is ideal, but a 4-figure grid reference is also acceptable. All grid references in old 'Avon' begin **ST**.

Recording Year				

Recorder Name & Address **all personal information is treated as confidential, and is held in compliance with the Data Protection Act.**	

Other Recorders	

Location name (as much detail as possible please)	

Other species/Notes	

This form is designed for use over a period of **one year at one locality** only.

Please add the date of your visit at the top of the form (as in the example) and use a separate column for each visit.

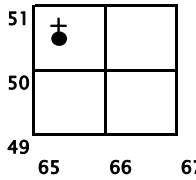
Tick in the column where a dragonfly is present. If possible give the sex and number seen instead of a tick.

Please do not add anything to the columns unless a dragonfly is present.

Please return your records to: BRERC, Blaise Museum, Henbury Road, Bristol BS10 7QS. Tel: 0117 9349833.

An electronic version of this form is available at **www.brerc.org.uk**

How to construct a grid reference



4-figure grid reference for the church:ST6550

6-figure grid reference for the church: ST653505

Sketch map of locality (please indicate North). This will help us if you are unable to provide a 6-figure grid reference.

Bristol Region Dragonfly Recording Scheme

Calopteryx splendens

Records provided to BRERC are deemed to be made available for BRERC to use in accordance with its role as a Local Records Centre. As such, records may be widely distributed by BRERC to third parties, in a variety of formats and media, such as through the National Biodiversity Network Gateway and other websites. Personal information is not supplied by BRERC to data enquirers but names and addresses may be used by BRERC when mailing newsletters, recording forms, invitations to meetings and other information or publicity material. More details of BRERC policies can be found on our website at: http://www.brerc.org.uk.
